Second	Roger Clemment	Liam Ahern
Third	Brain Hewett	K.Risborough/ C & E Lay

Explanation of Results:

Best in Show: Highest scoring individual beer.

Grand Champion Brewer: Brewer with highest average score based on their two highest scoring beers.

Hills District Champion: Brewer from North West Sydney, with highest average score based on their two highest scoring beers.

Presidents Choice: Selected by the Agricultural Society President from the top 5 beers.

Roose Team: Top 3 scoring beers to be sent to Edmonton for an Australia vs. Canada team comp.

****Placing:** A placing is awarded to the three highest scoring beers. In the event of a tie between two or more entries for a placing, the fourth beer has been awarded “highly recommended” (HR) status.

As per competition rules, an award is not made where there are less than 3 entries in a specific style or category. However each beer is still eligible for a category and other awards. This explains why a beer may be placed in a category but not in a style within the category. Similarly if there are less than three entries in a category, a category award will not be made, but the beer still qualifies for higher level awards. E.g. Best in Show.

Insufficient Entries: Amber Hybrid Beer, Smoked or Wood aged beer & Sour Ale
